

## PROFIT TAKING IN A LIVELY MARKET

Stock Trading Again on a Big Scale, but Selling for Gain Kept the List See-Sawing and Dealings Feverish.

There was plenty of life on the Stock Exchange to-day, trading being on an enormous scale, but extensive profit taking kept the market see-sawing and operators were in a feverish state until the close, prices fluctuating mixed.

Brokers still had a flood of orders and these were a check to the selling for gain. They were for moderate lots, however, big transactions not showing to any extent, yet the day's total sales were exceptionally large, being in the neighborhood of 2,000,000 shares.

There was much investment buying and the operators pointed to this as indicating the fact that the present boom has a good basis, and is likely to last some time.

The London trading was less than half that of yesterday, the buying being on balance and the purchases heavier in Missouri, Kansas & Texas preferred. London also sold freely at top figures.

St. Paul, Atchafalpa, Missouri Pacific, Pennsylvania, Reading, Rock Island, Southern Pacific and the Steel issues occupied prominent positions in the trading.

Amalgamated Copper, Colorado Fuel and Iron and Tennessee Coal and Iron were also conspicuous. Dealings in the Traction and the Erie were notable. Tennessee Coal and Iron was the feature of the late dealings, the price being pushed up almost 4 points on heavy buying.

Trading in bonds was again on a heavy scale.

The total sales of stocks were 1,611,500 shares and of bonds \$12,854,000.

### STOCKS FIRM IN THE LONDON MARKET.

LONDON, Nov. 10.—Supplies of money were fairly plentiful in the market to-day, and the demand was not keen. Discounts were easier. The feeling for the future was more hopeful, the talk of an early advance of the rate of discount of the Bank of England having disappeared.

Americans at the opening were active, especially a few specialties. They sagged slightly at noon, recovered and became strong, notably Missouri Pacific and Southern Pacific. Prices eased later and closed quietly firm.

### INHERITED SCROFULA

When a child I had a very severe attack of Diphtheria, which came near proving fatal. Upon recovery the glands of the neck were very much enlarged, and after the free use of iodine, the right one was reduced to its normal size, but the left one continued to grow—very slowly at first—until it was about the size of a goose egg, which began to press on the windpipe, causing difficult breathing, and became very painful. An incision was made and a large quantity of pus discharged. The gland was removed, or as much as could with safety be taken out. For ten years I wore a little piece of cloth about an inch long in my neck to keep the place open. During this time I had to have it cut open by the doctor every time I took cold or the opening clogged. In the Spring or early Summer of 1884 I was persuaded by my wife to use S. S. S., which I did, strictly in accordance with directions. I took twenty-six large bottles, and was entirely cured. For I have not suffered since that time.

### Only a constitutional remedy can reach an hereditary disease like Scrofula.

When the blood is restored to a normal condition and the scrofulous deposits are carried off there is a gradual return to health. S. S. S. is well known as a blood purifier and tonic. It is the only guaranteed strictly vegetable remedy. If you have Scrofula, write us and our physicians will advise you free.

men buying of late months, the early cotton market to-day was quiet and featureless. Note positions were weak, and a bit of liquidation for professional account, due to rather poor cables from Liverpool. Commission houses found the public indifferent, buyers presumably being occupied in dealing in stocks just now. During the day, however, prices slowly hardened, advancing from 1 to 2 points. Estimated port receipts were 60,000 bales, against 40,000 a year ago.

The opening prices were: November, 3.32 bid; December, 3.77 to 3.78; January, 3.85 to 3.86; February, 3.90 bid; March, 3.95 to 3.96; April, 3.96 bid; May, 3.98 to 3.99; June, 3.99 offered; July, 3.99 to 4.00.

The late prices were: December, 3.76; January, 3.87; March, 3.95; May, 3.98.
